Supplying moisturizing, antioxidant

* he description is only limited to the materials.

Anti-wrinkle functional

Adenosine

Adenosine is the first-class reliable ingredient so that you could use it for sensitive skin. It's light and heat-resistant and thus, you could use it for day and night. This ingredient restores regenerative power of cells in the dermal layer to improve skin elasticity and reduce wrinkles as well. With its anti-inflammatory function, it's okay to use it when your skin is troubled.
